To whom it may concern,

I am writing to show full support and interest in the new/updated skatepark.

Please consider how fantastic this will be for children that live in an area where money is tight and out of school clubs aren't free, this could help them to live a more purpose driven and less bored life!

Skateparks are also a fantastic place to start a caring community, adults feel obligated to look out for younger people using the park, making Wellingborough a safer place to live in.
