Hello ,
I have skated at bassetts skatepark for 20+ years.
Wellingborough is in desperate need for new skatepark facilities as the old ones have been deemed unsafe and unfit for use and since this is now an Olympic sport ,the facilities should have been updated a while ago.
It's unenjoyable for most people as others would rather go to other towns to skate as the facilities are better!
We have tried for years and years and have dealt with constant rejection , and now its time we did something for the people of Wellingborough!
I am firmly FOR the skatepark and I look forward to seeing what the future brings with this situation.

Many Thanks
