Hi, I'm writing to whoever this concerns to give my reasons on why we need a new park. First of all the current state of bassets skate park is dangerous and I'm always finding myself weaving out of the way of cracks or raises in the ramps and floors. Secondly, just to enjoy a good park we tend to have to travel outside of the town to places such as earls Barton which make it harder if an injury occurs to make it back home or for someone to come and help if they don't live in that area. Finally, the skating community is slowly growing everyday and we don't really have anywhere to go, we are mostly found in Morrisons car park but that poses its own issues, such as accidental damage to vehicles or being kicked out of the area just because we are skating.

Thank you
