Good evening,

I would just like to share my support for the proposed skatepark project within Bassets Park, Wellingborough.

A local skatepark that's fit for purpose would be of great benefit to the community and encourage new people into the sports. Currently to access suitable parks for skateing, Skateboarding and BMXing would require someone to travel to other towns which makes this inaccessible for many people especially children and teens. Myself and my family are all BMX enthusiast and would love to see my home town support this, and would anticipate using the park regularly.
