To whom it may concern,

I am a current resident of Wellingborough and I'm emailing about the skatepark that's being planned.

I would like to say I am in approval of this, currently those who use the skatepark are at a risk of serious injury due to poor maintenance, small children and newcomers are especially at risk as they're unaware of the dangers.

As a result those who can't skate there due to the issues have to resort to skating in the streets, car parks and other areas that aren't suited for the activity. This will provide a safe area for the activity while also providing the public with peace from those having to skate in public.
