

Proposed Works

- Prune tree T5 / Black Pine: remove East facing co-dominant leader at approx. 7.5m, and removal of 4nr north / west facing exhausted branches.
- Remove tree T9 / White Walnut: leaning towards / over adjacent road / pathway, with basal damage at ground level. Concern expressed re long-term stability of root plate.

Ref: Grounds & Gardens tree report of 4 Jan 22 / OPL-ERY-1JN

**Land South of 1, Main St, Elloughton
Proposed Tree Works
8 April 2024 - Dwg No: 305 / 020**

COMPANY OF
GARDENERS
