Dear Sir/Madam
Lane

South Cambridgeshire District Council
Application for Works to Trees in a Conservation Area

Proposal: Christmas tree (identified by a local gardener). It is around 25 to 30 meters in height and around 10 meters distance from both mine and next doors house. We would like to cut down this tree to the bottom of the trunk leaving in the roots as they are too large for removal. We would also like to replace this christmas tree with a smaller fruit tree such as plum further down the garden.

Site address: 51 Station Road Gamlingay Cambridgeshire SG19 3HE
