Dear Sirs

Extension and alteration to 80 Leverington Common, Leverington

Please find attached a planning application and details for the above.

The existing property is a detached bungalow, and the proposal is seeking planning permission to build a single storey rear flat roofed extension to provide an enlarged bedroom, with an en-suite along with a sun room.

Hopefully you should have all required information to enable validation of the application, however, should you require anything else or wish to discuss any aspects of the proposal in anyway do not hesitate to contact me.

I look forward to receiving your acknowledgement and planning permission in due course.

Yours faithfully

Nick Seaton MBA MRICS C.Build E FCABE
