## Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

Amended basement level with additional stair and stairwell

Please state why you wish to make this amendment

Due to poor ground conditions (as confirmed in the soil survey - infill down to a depth of 3.0 m)) it is structurally more efficient if the basement is under the complete dwelling above (and not under part of the dwelling). As secondary escape is then required, an additional external stair and stairwell will be required.

- (a) a member of staff**
- (b) an elected member**
- (c) related to a member of staff**
- (d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes
- No
