## Grounds for Application

### Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The works are to convert a detached garage within the grounds of an established dwelling and the properties permitted development rights appear to be intact. We believe that that the works fall within the parameters set out in government guidance for a garage conversion and no planning permission is required

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Drawings 8256-01

Select the use class that relates to the existing or last use.

C3 - Dwellinghouses

### Information about the proposed use(s)

Select the use class that relates to the proposed use.

C3 - Dwellinghouses

Is the proposed operation or use

- Permanent  
 Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The works are to convert a detached garage within the grounds of an established dwelling and the properties permitted development rights appear to be intact. We believe that that the works fall within the parameters set out in government guidance for a garage conversion and no planning permission is required.

The works do not increase the existing footprint and the conversion is to be used for a purpose supplementary to the enjoyment of the dwellinghouse. The garage will not be used as a separate dwelling or as an annex accommodation.

### Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- Yes  
 No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- The agent  
 The applicant

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff  
(b) an elected member  
(c) related to a member of staff  
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes  
 No
