To Whom It May Concern,

Re: Authorization for Change of Use – Residential to Commercial (3 Chilton Way, River, Dover, Kent, CT17 0QB)

I am writing to inform you of my formal support and authorization for TTK Retail Ltd, in the application to convert the premises located at 3 Chilton Way, River, Dover, Kent, CT17 0QB, from its current use as a residential property to a commercial property, specifically a convenience store.

As the property owner, I fully support TTK Retail Ltd's initiative. I believe that establishing a convenience store at the aforementioned location will significantly benefit the River community by providing essential goods and services within a convenient distance for residents.

Please note that this authorization extends to all relevant planning and licensing applications TTK Retail Ltd may need to submit as part of this process.

Should you require any further information or have any questions, please do not hesitate to contact me 

Yours faithfully,

Selina Man Karlsson
