Dear ,

Ref: Temporary Accommodation Justification: Temporary Project Office

Dates: May 2024 to May 2026

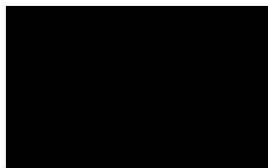

Justification:

St Peter's School has a programme of refurbishment and renovation work which will be taking place from May 2024 for the next 2 years.

Some of these works require planning and/or Listed Building Consent. The works planned for this year include **Ref. Nos: 24/00213/LBC; 23/02357/FUL; 23/02360/FUL**. The existing functions of these buildings must be relocated within the campus to ensure continuity of education provision so the impact on pupils and staff is minimised.

The proposed temporary building will serve as a construction site office to facilitate the project management of the construction works because there is insufficient accommodation within the current campus due to the temporary relocation of educational needs.

Yours sincerely,

Giles Roberts
Director of Operations
