Date of decision (date must be pre-application submission)

18/03/2024

Please state the condition number(s) to which this application relates

Condition number(s)

Condition 14
Condition 15

Has the development already started?

- Yes
 No

If Yes, please state when the development was started (date must be pre-application submission)

01/06/2021

Has the development been completed?

- Yes
 No

If Yes, please state when the development was completed (date must be pre-application submission)

29/03/2024

Part Discharge of Conditions

Are you seeking to discharge only part of a condition?

- Yes
 No

Discharge of Conditions

Please provide a full description and/or list of the materials/details that are being submitted for approval

Condition 14 - The dwelling hereby approved shall not be occupied until the remediation works approved under planning reference 21/00373/DISCON have been carried out in full in compliance with the approved methodology and best practice.

If during the construction works associated with the development hereby approved any suspected areas of contamination are discovered, which have not previously been identified, then all works shall be suspended until the nature and extent of the contamination is assessed and a report submitted and approved in writing by the local planning authority and the local planning authority shall be notified as soon as is reasonably practicable of the discovery of any suspected areas of contamination. The suspect material shall be re-evaluated, and the undated Phase 2 report submitted for approval

Condition 15 - Upon completion of the remediation works required by 14 above a validation report prepared by a competent person shall be submitted to and approved in writing by the local planning authority. The validation report shall include details of the remediation works and Quality Assurance/Quality Control results to show that the works have been carried out in full and in accordance with the approved methodology. Details of any validation sampling and analysis to show the site has achieved the approved remediation standard, together with the necessary waste management documentation shall be included

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- Yes
 No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- The agent
 The applicant
 Other person

Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

- Yes
 No

If Yes, please complete the following information about the advice you were given (this will help the authority to deal with this application more efficiently):

Officer name:

Title

First Name

**** REDACTED ****

Surname

**** REDACTED ****

Reference

21/00874/FL

Date (must be pre-application submission)

17/03/2024

Details of the pre-application advice received

Via email, confirming there are no outstanding conditions that need discharging. We can apply for confirmation of compliance with condition.

Declaration

I/We hereby apply for Approval of details reserved by a condition (discharge) as described in the questions answered, details provided, and the accompanying plans/drawings and additional information.

I/We confirm that, to the best of my/our knowledge, any facts stated are true and accurate and any opinions given are the genuine opinions of the person(s) giving them.

I/We also accept that, in accordance with the Planning Portal's terms and conditions:

- Once submitted, this information will be made available to the Local Planning Authority and, once validated by them, be published as part of a public register and on the authority's website;
- Our system will automatically generate and send you emails in regard to the submission of this application.

I / We agree to the outlined declaration

Signed

Peter Lindley-Hughes
