Dear Sir/Madam,

Re: Planning application number 24/00857/FUL

I am writing with respect to the above planning application for the proposed MOT station at Aizlewood Road.

My intention is to establish an MOT station that not only conducts MOT tests but also offers repair services for vehicles that fail the MOT test. Additionally, we plan to provide pre-booked checks and services for vehicles prior to their MOT tests.

This facility aims to serve the community by ensuring vehicle safety and compliance with legal requirements. By offering comprehensive services, we aim to provide convenience and peace of mind to vehicle owners in the area.

We believe that this venture will contribute positively to the local community and enhance the automotive services available in the vicinity. We are committed to complying with all relevant regulations and ensuring minimal disruption to the surrounding area.

Yours faithfully,

Rehmana Khan
