Ref: TBC

Description: First Floor Rear Extension

Site: 2 Wilden Lane, Stourport-on-Severn, DY13 9LR

This application seeks consent for the erection of a first floor rear extension over the existing ground floor rear extension. To assist with the determination of this application the diagram below illustrates the parameters of a 'two storey rear extension' that could be achieved under the current General Permitted Development Order. Should you require any further information or detail on this matter please do not hesitate to contact myself at Engineering and Building Design Ltd.
