

Ecosystems Services Statement

***'Highbank Livery Stables', Petersfield Lane,
Clanfield, South Downs, PO8 0QD.***

Proposed erection of a mare and foal shelter.

This proposal incorporates several environment-friendly features:

- low-energy fittings will be utilised throughout;
- locally-sourced materials will be used;
- the construction would produce a building with a stable internal environment;
- the building fabric would be long-life and allow flexible use.
