Yes

No

## Grounds for Application

### Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The existing house application ref. 3/04/1424/FP was approved 9th November 2004

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

C3 - Dwellinghouses

### Information about the proposed use(s)

Select the use class that relates to the proposed use.

Is the proposed operation or use

- Permanent  
 Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

As demonstrated by the submitted supporting information the proposed replacement windows are the same size, design, appearance and colour. The replacement windows are therefore not considered to be development and therefore lawful.

Can the site be seen from a public road, public footpath, bridleway or other public land?

- Yes  
 No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- (a) a member of staff  
(b) an elected member  
(c) related to a member of staff  
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes  
 No
