Dear West Oxfordshire District Council

Planning application by Great Tew Farms Partnership, Quarry Farm, Great Tew, Chipping Norton, OX7 4BT for planning permission: Section 73 application to continue the development permitted by planning permission no. MW.0133/23 (Extraction of limestone and deposit of imported clay and mineral scalplings to achieve agricultural restoration and conservation habitat creation) without complying with condition 2 (extraction and restoration end date) and condition 22 (exported mineral) in order to give a further four months to complete mineral extraction and restoration at Land at Quarry Farm North of Green Lane, Green Lane, Chipping Norton, Great Tew, OX7 4NS

The above application has been submitted to this council for determination.

Click the below link for application details.

Please note that the below link is unique to you and therefore should not be shared with anyone else. Members of the public are able to make comments on the application via the council's planning applications website as set out in the county council's publicity for the application.

Please register the application and let me know as soon as possible the registration number you have given it. Please add this to the Planning Register along with any Screening Opinion accessed via the above link. In line with the arrangements agreed between the District and County Councils for dealing with County Matter applications please DO NOT carry out consultations on this proposal.

I would be grateful for your council's views before the **24 May 2024**. You can comment online using the above link and reference number. If you have difficulty in meeting the consultation deadline, please contact me as soon as possible. I will notify you on the decision for registration purposes in due course.

Yours sincerely,

David Periam
