Biodiversity net gain is a legal requirement for planning permission introduced on 12 February 2024. All applications are required to either provide detailed information proving there will be a biodiversity increase; or explain why they are exempt from doing so.
Find out more about biodiversity net gain, and access digital tools from our partners that can help determine if you are exempt, or produce the biodiversity metric information required.
Do you believe that, if the development is granted permission, the general Biodiversity Gain Condition (as set out in Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 (as amended)) would apply?  O Yes
⊗ No
Please add all the exemptions or transitional arrangements that apply and provide a reason why
Exemption: Temporary exemption for non-major developments (small sites exemption)  Reason for selecting exemption:
Small sites exemption, extensions to existing retail use and no new creation of dwelling
