

Current Layout alterations

Original Layout before

Kitchen Breakfast Room - Original layout, room was divided by hardboard partition with arch. This has been removed to open the area to form a kitchen breakfast room.

(shown marked in Red).

Photograph enclosed to show current Kitchen Breakfast Room.

Door between Dining Room and Snug - moved to a new position

(shown marked in Green)

Bathroom – Relocation of bathroom from east-west to north-south orientation to give easier access to the toilet and remove the requirement to walk through the bathroom to access the lounge. New walls to give access via hallway to lounge constructed of plasterboard with oak door frame and new oak door to bathroom.

(shown marked in Yellow)

Two photographs enclosed to show current bathroom layout that includes bath, basin, shower cubicle and double cupboard.
