

Alitherm Heritage Window

Alitherm Heritage provides the ideal solution for heritage applications such as listed building renovations and large scale replica-refurbishment projects where planning constraints are to be considered. The Alitherm Heritage window is designed to be built as a series of horizontal modules which can be stacked using horizontal couplers to form a multi-part window featuring a specially design drip bar between modules.

Application

- ◆ Fixed windows
- ◆ Single or double sash, side hung open out casements
- ◆ Top hung open out casements
- ◆ Tilt & turn windows

Features

- ◆ Polyamide thermal break provides enhanced thermal performance
- ◆ Designed as a direct replacement for steel windows

Finish

Single or dual colour, marine quality polyester powder coat as standard
