

## **CLIMATE CHANGE STATEMENT**

### **26 OAKWOOD AVE OTTERBOURNE HAMPSHIRE SO21 2ED**

#### **INTRODUCTION**

This statement should be read in conjunction with the drawings prepared by CMCdesign architectural services, which together form the planning application submitted to Winchester City Council for the single storey rear extension to 26 Oakwood Ave, Otterbourne, SO21 2ED.

#### **STATEMENT**

The applicants confirm their commitment to addressing the climate emergency as part of the design of the present scheme.

The following measures have been incorporated into the current proposals to combat climate change:

- Erection of high quality extension which is designed to exceed the current building regulation standards
- Proposed additional vegetative planting within the developed area within the applicant's ownership
- A commitment to use locally sourced construction materials and tradesmen wherever possible
- Commitment to maintain ample space for on-site recycling bins and cycle storage.
