The existing arrangement already allows for two parking spaces (outside of the garage) located within the existing site boundary, as shown on the original drawing (WE089-SL-901 (Misc Layouts + Parking Strategy) submitted as a discharge for condition 6 for 15/03797/OUT. The Proposed Parking Strategy, as shown on drawing PL-06 (submitted with this application) demonstrates space for at least two additional car parking spaces within the existing site boundary (excluding the garage).

We also noted that our neighbours at 9 Regent Drive (21/00233/HHD) have had Planning Permission Granted for their Garage Conversion as they have shown adequate parking for their household within their site boundary.
