The new shed/workshop will be no larger than 18' x 12' and sit on an concrete base.  
The shed/workshop will sit within 2m of the eastern and southern boundaries of the properties and as such the ridge height will be compliant at 2.5m.  
The shed/workshop will be used to store gardening equipment, DIY tools and sports equipment connected with the property listed. There will not be any separate, self-contained living accommodation within.
