What is the measurement of the site area? (numeric characters only).
317.00
Unit
Sq. metres
Description of the Proposal
Please note in regard to:
 Fire Statements - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. View government planning guidance on fire statements or access the fire statement template and guidance. Permission In Principle - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below. Public Service Infrastructure - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or view government planning guidance on determination periods.
Description
Please describe details of the proposed development or works including any change of use
We are replacing the current shop frontage and signage with more modern items. There is no change of use
Has the work or change of use already started?
○ Yes
⊙ No
Existing Use
Please describe the current use of the site
Retail floorcovering showroom
Is the site currently vacant?
○ Yes
⊙ No

Does the proposal involve any of the following? If Yes, you will need to submit an appropriate contamination assessment with your application.
Land which is known to be contaminated ○ Yes ⊙ No
Land where contamination is suspected for all or part of the site ○ Yes ⊙ No
A proposed use that would be particularly vulnerable to the presence of contamination ○ Yes ⊙ No
Materials
Does the proposed development require any materials to be used externally?
Please provide a description of existing and proposed materials and finishes to be used externally (including type, colour and name for each material)
Type: Windows
Existing materials and finishes: currently upvc/wood frames with glass . Aluminium doors. plastic signage
Proposed materials and finishes: Upvc window frames and double glazed units. Units to be black/very dark grey. Clear glazed units Upvc Doors. colours as above plastic/vinyl signage black signage with white writing
Are you supplying additional information on submitted plans, drawings or a design and access statement? ○ Yes ⊙ No
Pedestrian and Vehicle Access, Roads and Rights of Way
Is a new or altered vehicular access proposed to or from the public highway? ○ Yes ⊙ No
Is a new or altered pedestrian access proposed to or from the public highway? ○ Yes ⊙ No
Are there any new public roads to be provided within the site? ○ Yes ⊙ No
Are there any new public rights of way to be provided within or adjacent to the site? ○ Yes ⊙ No

○ Yes⊙ No	
Vehicle Parking Does the site have any existing vehicle/cycle parking spaces or will the proposed development add/remove are ○ Yes ○ No	ny parking spaces?
Trees and Hedges	
Are there trees or hedges on the proposed development site?	
○ Yes ⊙ No	
And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the part of the local landscape character? O Yes No	development or might be important as
If Yes to either or both of the above, you may need to provide a full tree survey, at the discretion of the survey is required, this and the accompanying plan should be submitted alongside the application. The make clear on its website what the survey should contain, in accordance with the current 'BS5837: Tree and construction - Recommendations'.	e local planning authority should

land adjacent to or near the application site?
To assist in answering this question correctly, please refer to the help text which provides guidance on determining if any important biodiversity or geological conservation features may be present or nearby; and whether they are likely to be affected by the proposals.
a) Protected and priority species
○ Yes, on the development site○ Yes, on land adjacent to or near the proposed development⊙ No
b) Designated sites, important habitats or other biodiversity features
○ Yes, on the development site○ Yes, on land adjacent to or near the proposed development⊙ No
c) Features of geological conservation importance
○ Yes, on the development site○ Yes, on land adjacent to or near the proposed development⊙ No
Supporting information requirements
Where a development proposal is likely to affect features of biodiversity or geological conservation interest, you will need to submit, with the application, sufficient information and assessments to allow the local planning authority to determine the proposal.
Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the local planning authority has been submitted.
Your local planning authority will be able to advise on the content of any assessments that may be required.
Biodiversity net gain
Biodiversity net gain Biodiversity net gain is a legal requirement for planning permission introduced on 12 February 2024. All applications are required to either provide detailed information proving there will be a biodiversity increase; or explain why they are exempt from doing so.

Does this proposal involve the carrying out of industrial or commercial activities and processes?
Please describe the activities and processes which would be carried out on the site and the end products including plant, ventilation or air conditioning. Please include the type of machinery which may be installed on site:
replacing windows and signage will involve some machinery
Is the proposal for a waste management development?
○ Yes
⊙ No
Hazardous Substances

Are there any existing employees on the site or will the proposed development increase or decrease the number of employees?

Oes the proposal involve the use or storage of Hazardous Substances? ○ Yes ○ No
Site Visit Can the site be seen from a public road, public footpath, bridleway or other public land?
Pre-application Advice Has assistance or prior advice been sought from the local authority about this application? ○ Yes ⊙ No
Authority Employee/Member With respect to the Authority, is the applicant and/or agent one of the following: (a) a member of staff (b) an elected member (c) related to a member of staff (d) related to an elected member It is an important principle of decision-making that the process is open and transparent. For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority. Do any of the above statements apply? Yes No
Ownership Certificates and Agricultural Land Declaration Certificates under Article 14 - Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended) Please answer the following questions to determine which Certificate of Ownership you need to complete: A, B, C or D. Is the applicant the sole owner of all the land to which this application relates; and has the applicant been the sole owner for more than 21 days? O Yes No

Certificate Of Ownership - Certificate B			
I certify/ The applicant certifies that:			
* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.			
** "agricultural tenant" has the meaning given in section 65(8) of the Town and Country Planning Act 1990
