Thanks

Anna

A photograph showing a large, dense evergreen tree (G1) behind a wooden fence. The tree is the central focus, with its branches extending upwards and outwards. The fence is made of light-colored wood and runs horizontally across the middle of the image. In the foreground, there is a paved area. The background shows a clear blue sky and some other trees.

G1 - trees to be felled and replaced with a hedge. See Scots Pine on LHS which is an A1 tree and becoming blocked in by G1

This is G1 - the tree on the right is missing its top which fell off in a storm

View of the laurel hedge from the playing field side, showing the footpath
