28th March 2024

In relation to planning application 22/0668/FUL

Dear Planning Officer,

Please find enclose

Detail of external lighting design / proposal scheme, as required to comply with condition no 3 in order to gain full consent

The drawings of all elevations, show proposed light positions.

I propose downlighter types with LED 25 WATT soft light bulbs, operated by PAR Censors, set at 30 second operating times

I wish to address all concerns regarding light pollution whilst retaining a safe level of light for access, safety & security.

Hopefully these details are satisfactory

Regards

Stephen Morrall
