Dear Sirs,

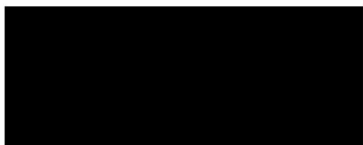

Discharge of Conditions 2 and 3 of permission 20/05642/F – Amelia Court, Pipe Lane, Bristol

This letter accompanies an application to discharge Condition 2 (Construction Management Plan) and Condition 3 (Construction Management Plan (Environmental)) of planning permission 20/05642/F in relation to Amelia Court, Pipe Lane, Bristol.

The individual requirements of Conditions 2 and 3 in respect of the safe operation of the highway during all phases of the development, and to the protection of the amenity of neighbouring properties and the area generally are satisfied within a single document enclosed with this application entitled 'Construction Management Plan (Environmental)'. As such, this document is considered to satisfy the criteria for both a CMP and a CEMP and is therefore sufficient to discharge both Condition 2 and Condition 3.

Please do not hesitate to contact me on the details at the top of this letter if you have any questions about the above.

Yours sincerely,

Chris McNulty
Associate
