### Supporting information requirements

Where a development proposal is likely to affect features of biodiversity or geological conservation interest, you will need to submit, with the application, sufficient information and assessments to allow the local planning authority to determine the proposal.

Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the local planning authority has been submitted.

Your local planning authority will be able to advise on the content of any assessments that may be required.

## Biodiversity net gain

Biodiversity net gain is a legal requirement for planning permission introduced on 12 February 2024. All applications are required to either provide detailed information proving there will be a biodiversity increase; or explain why they are exempt from doing so.

[Find out more about biodiversity net gain, and access digital tools from our partners that can help determine if you are exempt, or produce the biodiversity metric information required.](#)

Do you believe that, if the development is granted permission, the general Biodiversity Gain Condition (as set out in Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 (as amended)) would apply?

Yes

No

Please add all the exemptions or transitional arrangements that apply and provide a reason why

**Exemption:** Development does not impact a priority habitat and impacts less than:

An application for change of use of land for siting of a mobile catering unit will require the following:

Full Planning Permission Application Form  
Fully completed

Planning Fee £578

If submitting via the Planning Portal then their service charge will be £53.33 (+VAT) - this service charge includes their Location Plan service.

If submitting directly to us via e-mail or post then please be aware that in order to recover administrative costs for registering submissions by these means, a non-refundable administration charge of £100 + VAT for any major type application and £53.00 +VAT for all other types of applications will be payable at the time of your planning fee payment starting from 1 May 2024.

Location Plan

To a scale of 1:1250 or 1:2500 with relevant scale bar, North point, two named roads and the application site outlined in red.

Site Plan

To a scale of 1:200 or 1:500 with relevant scale bar and North point, showing the size and position of the catering unit in relation to the surrounding site features.

Floor Plan and Elevations

Preferably to a scale of 1:50 or 1:100 with relevant scale bar, although if the unit can be classed as a 'caravan' under Section 29 of the Caravan Sites and Control of Development Act 1960, then photographs with written dimensions may be sufficient.

## Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes
- No

## Ownership Certificates and Agricultural Land Declaration

Certificates under Article 14 - Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended)
