3. Description of the Proposal	
Please describe the proposed development, including any change	e of use:
of use from class E to class sui generis). The takeawa on the officer Mike Gildersleeves's pre-application adv 22/05/2023, it became clear that the such an application receive support. The pre-application advice was sough had a very similar profile i.e. also a retail shop with flat	vice decision (ref. S/153/00952/23/IC) dated tion for a premises in this particular area is likely to the concerning the next door property no. 151 - which
Has the building, work or change of use already started?	X Yes No
If Yes, please state the date when building, work or use were started (DD/MM/YYYY):	01/11/2023 (date must be pre-application submission
Has the building, work or change of use been completed?	X Yes No
If Yes, please state the date when the building, work or change of use was completed (DD/MM/YYYY):	01/04/2024 (date must be pre-application submission
Reference number of permission in principle being relied on (technical details consent applications only):	
Is the proposal for public service infrastructure development (within the meaning of article 2 of S.I. 2015/595 as amended by article 3 of S.I. 746/2021)?	Yes X No
4. Site Address Details Please provide the full postal address of the application site. Unit: House number: 149 House suffix: House name: Address 1: Roman Bank Address 2: Address 3: Skegness Town: Lincolnshire County: England Postcode (optional): PE25 1RY Description of location or a grid reference. (must be completed if postcode is not known): Easting: 556570 Northing: 364050 Description:	5. Pre-application Advice Has assistance or prior advice been sought from the local authority about this application? If Yes, please complete the following information about the advice you were given. (This will help the authority to deal with this application more efficiently). Please tick if the full contact details are not known, and then complete as much as possible: Officer name: Mike Gildersleeves Reference: S/153/00952/23/IC Date (DD/MM/YYYY): (must be pre-application submission) Details of pre-application advice received? "The application is likely to receive support. All the suggested changes by the officer have been made accordingly. The officer advised following: -A Signage on this row of commercial properties is relatively varied and unlikely to be a significant issue. - Flue if required is unlikely to have a significant adverse impact on the external appearance of the property or the street scene taking into account the other properties in the area, however, it would be better in appearance terms for any new flue to be to the rear or at the side." - In terms of parking, in addition to the on street parking available along Roman Bank that may be suitable for customers, ideally, separate provision for staff and delivery drivers should be provided. There is dedicated parking space available to the rear of this property 149 Roman Bank (this property is also a shop with flat on it - very similar to the previously sought next door no. 151). - The hours the premises is open to customers should be between

Is a new or altered vehicle access proposed to or from the public highway? Is a new or altered pedestrian On the plans incorporate areas to store and aid the collection of waste? If Yes, please provide details:	
Is a new or altered pedestrian	U No
access proposed to or from the public highway? Yes X No The plans incorporate designated areas specifically allocate storage and facilitation of waste collection. These areas and designed to ensure efficient waste management practices	strategically
Are there any new public roads to be provided within the site? Yes X No With environmental regulations. Key features of the waste management provisions include:	
Are there any new public rights of way to be provided within or adjacent to the site? Yes X No (See attached Exhibit 1 Question 7)	
Do the proposals require any diversions /extinguishments and/or creation of rights of way? Have arrangements been made for the separate storage and collection of recyclable waste? X Yes	☐ No
If you answered Yes to any of the above questions, please show details on your plans/drawings and state the reference of the plan	
Adequate arrangements have been made for separaneas within the premises (rear side of the premise accessible by vehicle) for the segregation and tenstorage of different types of waste, including generacyclables, and organic waste. Following companies with waste carrier licensing to collecting the waste: - Recyclable waste: Carousel Recycling Ltd General waste: Sid Dennis & Sons Ltd Grease & Oil waste: Olleco Ltd.	porary ral waste,
8. Authority Employee / Member It is an important principle of decision-making that the process is open and transparent. For the purposes of this question, "remeans related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, conclude that there was bias on the part of the decision-maker in the local planning authority. Do any of the following statements apply to you and/or agent? Yes No With respect to the authority, I am: (a) a member of staff (b) an elected member (c) related to a member of staff (d) related to an elected member If Yes, please provide details of their name, role and how you are related to them.

26. Planning Application Requirements - Checklist			
Please read the following checklist to make sure you have sent all the information in support of your proposal. Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the Local Planning Authority (LPA) has been submitted.			
The original and 3 copies* of a completed and dated application form:	The correct fee:		
The original and 3 copies* of the plan which identifies the land to which the application relates drawn to an identified scale and showing the direction of North:	The original and 3 copies* of a design and access statement, if required (see help text and guidance notes for details): The original and 3 copies* of a fire statement, if required (see help text and guidance notes for details):		
The original and 3 copies* of other plans and drawings or information necessary to describe the subject of the application.	The original and 3 copies* of the completed, dated Ownership Certificate (A, B, C or D – as applicable) and Article 14 Certificate (Agricultural Holdings):		
*National legislation specifies that the applicant must provide the original plus three copies of the form and supporting documents (a total of four copies), unless the application is submitted electronically or, the LPA indicate that a smaller number of copies is required. LPAs may also accept supporting documents in electronic format by post (for example, on a CD, DVD or USB memory stick). You can check your LPA's website for information or contact their planning department to discuss these options.			
Plans can be bought from one of the Planning Portal's accredited suppliers: https://www.planningportal.co.uk/buyaplanningmap			
27. Declaration			
I/we hereby apply for planning permission/consent as described in this form and the accompanying plans/drawings and additional information. I/we confirm that, to the best of my/our knowledge, any facts stated are true and accurate and any opinions given are the genuine opinions of the person(s) giving them.
