

Proposed works shaded in grey

See Sheet RA-3 for detailed setting out dimensions

NOTES

1. Hardstanding to comprise parking, turning area and driveway - DOT crushed stone foundation with tarmac surface coat.
2. Hardstanding laid to falls - surface water drains to soakaways.
3. New drystone walling and stock fence to paddock entrance.
4. Original paddock comprises grassland with stoned access way adjacent to dwelling.
5. Retrospective works carried out: Curved stone wall adjacent to improved vehicle access. Temporary crushed stone access and parking area.
6. This application covers completion of the hardstanding and construction of the detached garage.

1. Initial design
