## Grounds for Application

### Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

As homeowner of 120 Green lanes, the front garden, currently a lawn area, with stone pathway to the front door of my property is now required to be changed to permeable hard standing/driveway for a vehicle (due to lack of parking on the road and increased footfall of the Open space local nature reserve and new wetland at the end of Green Lanes which will also attract more visitors to the area), and so a drop kerb would be needed.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Is the proposed operation or use

- Permanent  
 Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

Permission has already been given and the above hard standing /driveways completed to neighbouring properties 118 and 122 Green lanes.  
The vast majority of properties in Green lanes have this already.

## Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

 No

## Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff  
(b) an elected member  
(c) related to a member of staff  
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes  
 No

Please state the applicant's interest in the land

- Owner
- Lessee
