## **NOTES**

This letter is a notification of a planning application adjacent to, or potentially affecting the property to which it has been sent. If you are not the owner of the property please let the owner know about this letter.

**Comments on planning applications should relate only to matters within the scope of planning control. This can include whether:**

- the proposal conflicts with any of the Council's planning policies
- the appearance and size of a new building is generally in keeping with its neighbours and the surrounding area
- adjoining residents will suffer any unreasonable overshadowing, overlooking or loss of privacy
- a proposed use is a suitable one for the area
- there will be any unreasonable increase in general disturbance, for example from the comings and goings of extra traffic
- new roadways, accesses and adequate parking will be safe for road users and pedestrians
- new public buildings have satisfactory access for the disabled
- in the case of an application for an advertisement, the proposed sign is too large or unsightly
- a public footpath is affected
- there is any visual effect upon the landscape, e.g. loss of trees
- there is an impact on the character and appearance of a Listed Building/Conservation Area in the case of applications for Listed Building Consent or Conservation Area Consent

**However, the following cannot be taken into account:**

- Boundary and other disputes between neighbours, e.g. private rights of way, drainage issues or covenants
- Loss of view, unless, in limited circumstances, that view should be protected in the public interest
- Loss of trade through increased competition
- Loss of property value.

Further information on the planning process is available on our website, which can be found at [www.epsom-ewell.gov.uk](http://www.epsom-ewell.gov.uk). Search for "Planning" for more details.
