

- The building is grade II listed internally and externally up to and including freestanding structures. Works to alter these need consent before commencing. Unauthorised works are a criminal offense.

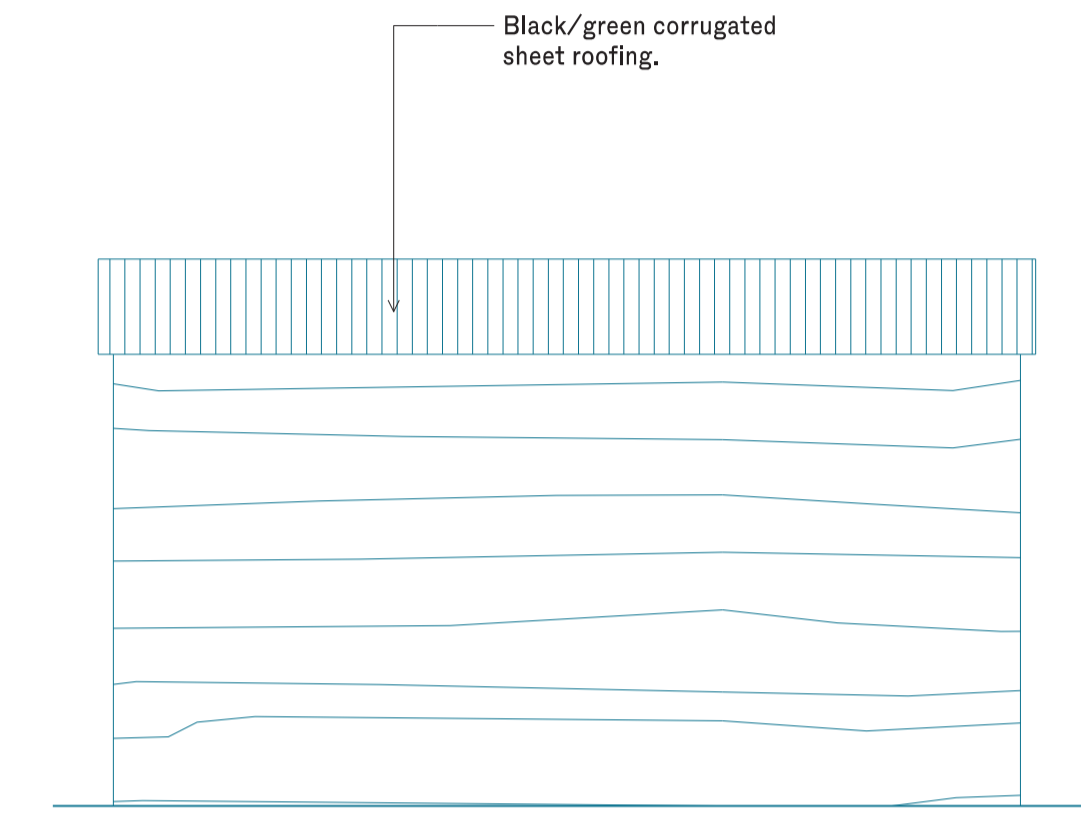

- New services, including heating, water, electrical and data to be installed throughout. Services to utilise existing service routes and voids within building construction wherever possible. Where this is not possible, services to be surface mounted.

Use notated dimensions only. Check all on site.  
 If printed A3, all scales to be halved, i.e. 1:25 at A1 = 1:50 at A3. Do not print on any other sheet sizes.  
 All drawings to be read in conjunction with consultants' information. Any discrepancies to be reported to the Architect before work commences.
