Details of the pre-application advice received

6No. potential Communication Hub locations were proposed to Bury Council via the paid Pre-application Advice on 31st March 2023. Taking on board the comments received we have subsequently chosen to proceed with 3No. proposal sites within Bury's retail main centres.

Site 2 Haymarket -

"This site is also within Bury Town Centre Conservation Area on an uncluttered area of pavement. Its siting would again affects views and the setting of the grade II listed Kay Monument at Kay Gardens and a locally listed building, the former George Hotel, 5 Market Street, so would not be supported on heritage protection grounds.

An information board and fingerpost sign exist outside the entrance of the Millgate Centre. The finger post directs people to the key areas/ attractions within the Town Centre. The addition of a Communication Hub orientated at 90 degrees to the information board, along with its siting in the middle of this open pavement, would be seen as an obstruction within the street scene to the detriment of visual amenity and the setting of heritage assets and would obstruct pedestrian flow, to the detriment of highway safety."

These comments have been addressed in our covering letter.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes
- No

Interest In the Land

Does the applicant own the land or buildings where the adverts are to be placed?

- Yes
- No

No
