Good morning [REDACTED]

Thank you for your plans that were received on the 28th March. I am sorry for the delay in replying to you as I was on unexpected leave for one week, after taking one week's annual leave.

Please address the following items. Provide you do not include any dates on your plans I will backdate the application to the 29th March.

All drawings submitted to the Local Planning Authority must be to scale. Please remove the wording "Do not scale..." from all drawings and resubmit. **Done.**

The existing floor plan shows a door at side, but the existing side elevation plan does not show this. Please amend and resubmit. **Done, please see the elevations attached**

I am unsure if there are extensions to this property, please show any extensions, in bold on the proposed ground floor plan and resubmit. **No extension to the property**

I will include external alterations and shop fronts in the description of development. Please confirm that you agree with it. **I will also include extensions when confirmed. Yes happy with the description.**

Kind regards
