

Minimal frame glass window in reinstated window opening

Cantilevered timber stair supported by new double height stone wall

F20.R5-R10: new conservation rooflights

Existing floor to be overhauled to meet new regulations and to repair any degraded timbers: As far as possible, existing oak timbers to be retained on existing steel posts, new solid timber joists to be installed to strengthen existing timbers as level the floor as required, all finishes to be replaced with new floor build up.

New fireplace integral to new double height stone wall

new frameless glass door in existing reinstated door opening

Existing 1900's cast iron columns refurbished and retained on new stone plinth to suit new lower floor level

Underpinning of Apple Barn foundations, see S.E proposals
