

**Belasyse Cottage
Block Plan
As Proposed
1:200**

- NOTES**
1. DO NOT SCALE
 2. All dimensions are to be checked and discrepancies reported before construction
 3. To be read in conjunction with all relevant Architect's and Consultant's drawings

NOTES:

The proposed front extension is for a ground floor bathroom which is required due to Mr. Howley's recent terminal illness diagnosis.

He is no longer able to access the first floor of the property so the front extension is a necessity for his health, safety and wellbeing long-term.

The property is concealed by dense vegetation, trees, front gate and the existing garages when viewed from Chells Lane.

The neighbours at 2 Belasyse Cottage are aware of the proposal and there are no objections, overlooking or daylight concerns.

The proposed front extension will be well hidden and will appear as part of the existing property in form and material choice.
