Applicant/Owner/Location: Mr Ben Gibson

Tel: [REDACTED]
Agent: Russell Stenning T/A The Bristol Branch

Proposed Work

Group 1 (indicated in the attached image by the larger red rectangle with the red cross in)

12 X Ash - Fell

Group 2 (indicated in the attached image by the smaller red rectangle with a red letter 'R' next to it)

8 X Ash - Reduce in height by 50%

Reason for Work:

Both groups have clear visual signs of Ash Dieback mostly stage 2, some stage 3 and a few stage 4 with drawn up attenuated trunks and stems. The proposal is to fell the 'red cross' marked trees and reduce the remaining group concentrated on the lower right hand side of the rear garden by 50% retaining Ivy and understory Hawthorne for habitat etc.

Many thanks.

Russell
