Report/Schedule of Works.

10th April 2024

Applicant: Mrs June Baker.

Location: Woodland located at Bentworth Court, Bentworth Hall, Holt End Lane, Bentworth, Alton, GU34 5LA.

LPA: East Hampshire District Council.

Tree Constraints: Protected Status (TPO)
Town & Country Planning Act 1990 (as amended)
Town & Country Planning Act (Tree Preservation) (England) Regulations 2012

TPO Number: (EH118) 82

Description of works.

Species: Fraxinus excelsior (Common Ash) x 3
ID Numbers: 0456 / 0457 / 0458

Age class: Semi Mature.

Description of works: Fell

Reason for proposed works: Diseased, the result of the variant fungal pathogen Hymenoscyphus pseudoalbidus (Ash Dieback) All 3 specimens are located within 4 metres of the communal access drive.

Species: Fagus sylvatica (Common Beech)
ID Number: 0459

Age class: Mature.

Description of works: Fell

Reason for proposed works: Advanced centre root and internal basal stem decay. Specimen located within 5 metres of the communal access drive.

Replacement trees (Section 206, Town & Country Planning Act 1990)
For ID Numbers 0456 / 0457 / 0458 / 0459: Unless a Condition by the LPA no replacement trees will be planted due to the existing stock density of the woodland and to maintain a clear open corridor between the communal access drive and the perimeter of the woodland. Tree numbers 0456, 0457 & 0458 have self seeded within the open corridor.
