## High Speed Broadband Statement

### Broadband in BH25 6HN

This postcode has support for Ultrafast broadband at one or more premises. Ultrafast broadband is the latest high-speed standard, generally taken to mean fixed line broadband at a potential speed of 300Mbps or more - more than enough for even the most demanding household gaming, video calling, video and internet browsing needs. Note that occasionally some properties in a postcode may still not be eligible due to conditions on the ground, or the building structure. If you wish to enquire about a specific property in this postcode, contact the major suppliers, for instance Virgin Media, [BT Broadband](#) and [Plusnet](#). For more information on Superfast Broadband, see [the OpenReach website](#).

Broadband data is based on information provided by the major fixed internet service providers in the UK, including Virgin Media and [BT](#). It does not include providers of satellite internet. Data at this postcode has been sourced from 7 reported internet connections.
