Schedule of Proposed Works

Please list each individual tree and label them as T1, T2, T3 etc. and provide a detailed description of the works proposed and the reason for the works.

Tree No.	Tree Species	Description of tree work(s)	Reason(s) for work
T1	Walnut	Repollard to previous growth points	New growth becoming too heavy and unstable
T2	Walnut	Repollard to previous growth points	Repollard to previous growth points

Site Plan

Please provide a Site Plan showing **as accurately as possible** the position of the tree(s) in relation to any other trees on site, nearby buildings, walls, roads etc. This can be based on an O.S. plan of a suitable scale or, alternatively the space below can be used to sketch a plan. If this application is to carry out work to more than one tree, then each tree should be individually numbered on the plan to correspond with the numbering in the table overleaf entitled Schedule of Works.

Replacement Planting (TPO only)

If you are proposing to remove a tree covered by a Tree Preservation Order, we will general expect you to provide a replacement tree for each tree removed.

As a minimum replacement trees should at least a 'Standard' tree in accordance with British Standard 8545:2014. The tree should be no less than 8cm in girth and 2.5 meters in height at the time of planting. Sometimes we may require you to plant a larger tree, if we do we will advise you of this as part of processing your application. It is expected that replacement tree planting takes place as soon as possible, please not in column 4 when replacement planting will take place and by who.

NOTE: If you are an agent working on behalf of a client you must seek your client's agreement regarding replacement planting proposals prior to submitting the application and agree who will undertake the planting.

Please provide details below of your proposed tree replacement planting. The location of each replacement tree should be marked on the site plan on page 3; each individual tree should be labelled as R1, R2, R3 etc on the site plan.

Tree No.	Tree Species	Size of Tree	Date of planting and by who.
