PROPOSED SITE 1:1250

EXISTING SITE 1:500

PROPOSED SITE 1:500

DRAWING PRODUCED BY

OV URBAN
ARCHITECTURE STUDIO

Note:

This drawing is for PLANNING purposes and does not constitute a construction issue drawing.

All setting out dimensions and levels are indicative and are subject to detailed site survey and site conditions.

This drawing to be read in conjunction with the Client site survey and all levels indicated are for guidance only with final levels to be resolved on site to suit contours and natural falls.

All foundations, structural floors and retaining walls are to be to Structural Engineers and/or specialist structural floor supplier detail design and actual site setting out as constructed.

The Client & his/her agent are responsible for ensuring that final construction and detailing conforms to BS8000 (min), NHBC & Local Authority requirements - where applicable - and that compliance with the Equality Act (2010) is satisfied.

Responsibility is not accepted for errors made by others in scaling from this drawing, all dimensions should be taken from figured dimensions only. All dimensions are to be checked on site.
