Details of the pre-application advice received

I have been asked to look into the below enquiry regarding the removal of PD rights at 2 Underwood Court in relation to a proposed loft conversion.

Under application 03/1188/1/MX which covered the reserved matters for the erection of 2 Underwood Court, for which I have attached the decision notice (note the property in question is plot 14), there are some restrictions to permitted development in respect of conditions 2 regarding the retention of parking facilities and condition 3 restricting the erection of buildings or structures in the rear amenity space however there are no restrictions to conversion of the loft space.

Provided any physical alterations to the roof slopes fall within permitted development the proposal could be covered under a Lawful Development Certificate.

I trust the above makes sense but if you have any further questions please feel free to get in touch.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes
- No

Interest in the Land

Please state the applicant's interest in the land

- Owner
- Lessee
- Occupier
- Other
