Following the rejection of the planning application received on January 29th, 2024, we have commenced discussions to rectify the grounds for the decision. Mr. Haney has suggested that the proposal will receive support if it aligns with SG9 guidance and if the proposed wall matches the original walls along the lane in terms of height, material, colour, and appearance to the extent feasible. We have duly noted Mr. Haney's advice and have revised the proposal to adhere to SG9 guidance.
